

Today tab three directions.

Same snapshot numbers. No producer changes.

Tap a letter in chat after you look: A, B, C, or a mix.

A — Finished ledger

Same cards as today. Bars and ring actually draw. Drops 01/02/03. Next is a real Open the plan button. Quietest change.

B — Morning desk

Dark value hero, a contribution chart, then a PLTR-vs-rest bar. Most dashboard.

C — The weight

Leads with 83.5% of equity is PLTR. Thick day bars, one big action. Most pop.
